Building owners in Shipshewana that would like to have their building be considered as a site for a mural are encouraged to contact Leon Yoder at Legendary Design, 574-596-5760. Building owners that allow use of a wall on their building have the first opportunity to sponsor their own mural, but it is not required.

Additional business and individual sponsors are being sought. Contact committee co-chairs Dan Byler, 260-463-6505, or Levi King, 574-596-6954, for a complete list of sponsorship options. **i**
